Hello again, [REDACTED]. I drove around the area of the intersection of Orcas/Foothill today around 3:45 p and did not see a tent set up. I also drove through the park a little ways, by Hansen Dam equestrian center but still did not spot it. Can you give me specifics of where exactly the tent is located, and perhaps a picture or two as well of the tent and surroundings, if it is difficult to locate?

Also, I am not sure of the location of the other encampment you referenced 'across from the park'. Could you give me specifics of that as well? Is it the encampment set up directly across Foothill Blvd from the parking lot of the Hansen Dam soccer fields? If so, that encampment is located on Cal Trans property and I believe the Assemblymember's office is working to get that area cleaned up again. They had a big cleanup there the end of last year that cleared the encampments but they have set up again since then. I will include the contact information below for Jude Hernandez, who is the Assemblymember's field rep for the Lake View Terrace area. Thank you for reaching out and talk to you soon!

What actions we can take about the homeless setting up tents along our horse trails in Lake View Terrace /Shadow Hills?? Obviously nothing is done about the eyesore growing every day across from the park but now there is a tent pitched 300 yards from our houses on orcas(and Foothill)... not only is it very close to our homes but scary to those of us who wish to enjoy walking our dogs and riding our horses....

Please advise...

Thanks in advance...
